#### OTHER

Handling of non-conformities, orientation visits, other special services, hourly rate	995 DKK
Travel time for special services and audits outside Denmark, hourly rate	550 DKK
In vain attendance for scheduled admission- or inspection visits	4.500 DKK
Separate inspection visits on energy labelling of windows	4.750 DKK
Driving	State tariff

All prices are in DKK, excl. VAT. The price list is valid from 31.12.2023 until 31.12.2024

Terms of payment: 10 days from invoice date. In arrears beyond 3 months, the certificate is withdrawn

The handling of non-conformities, orientation visits, and other special services is charged at the hourly rate, and any held expenses, and costs for transportation are added. For companies outside Denmark all additional costs, including e.g. travel time, travel costs, accommodation costs and diets are added to the price.

\* When manufacturing windows and doors in different materials, the minimum requirement is one certificate plus an additional one for each group of materials with a turnover per material group in excess of DKK 10 million. (TR for DVV, 4.1.1)

\*\* If inspection of energy labeling can be done at the ordinary inspection visit, otherwise see price under "Other"
